The Passionist Missionaries goal is to promote the memory of the Passion of Jesus Christ by witnessing and preaching to the sufferings of our time. Through their projects in Kenya, they are able to evangelize and promote integral human development.

Their projects involve programs and activities for alleviating poverty and foster social justice and economic empowerment of the communities they serve. They have 40 seminarians, they run two orphanages with 70 orphans, and they support poor widows in their missions. They organize and preach retreats for both religious and lay Faithful. Your generous support continues their mission affecting a positive change in people's daily lives and the hope for a better tomorrow.
