Dear Parishioners;

We have \$922 left to go to meet our Bishop's Appeal goal. The Bishop's Appeal is an assessment, not a suggestion, from the diocese in order to run the chancery and its many offices. This past week we have had to contact the office of cemeteries, the finance office, Human Resources and Safe Environment, the Pastoral Planning Office as well as access information from the Diocesan Intranet. You are not always made aware of the assistance we receive but, trust me, it is necessary. Please, if you have not contributed to this year's campaign, pray on it and discern what is truly important in our list of priorities. I am hoping that God and God's people will be at the top of the list. We are the Church, the people of God, and this appeal is to help us all.

Peace,

Karen Walker, Interim Administrator
